 RE: Amended Revised Criminal Offender Record Checks (CORI) Guidelines

In December 2002, the Executive Office of Elder Affairs (Elder Affairs) issued Revised CORI Guidelines (EOEA-PI-02-62) to restate and update our CORI policy and incorporate the new table of offenses only from recent Executive Office of Health and Human Services (EOHHS) regulations. The Guidelines apply to the above-mentioned entities funded by Elder Affairs. They include a list of crimes, conviction or pending charges on which could preclude an individual from obtaining employment or volunteering with an entity providing such services based on the nature, age and/or severity of the offense. The Elder Affairs guidelines strongly recommend that entities adhere to them. However, the final hiring decision rests with the hiring entity.

This Program Instruction re-transmits the Elder Affairs' Revised Guidelines incorporating the new Tables of Offenses based upon the EOHHS regulations with one change based on current Criminal History Systems Board Audit Procedures. *Please note that on page two of the procedures, the first bullet now states that CHSB procedures require that CORI certified agencies such as ASAPs, AAAs, and COAs need not obtain prior written acknowledgement from employees, volunteers, etc. in order to obtain that person's CORI as part of the agency's employment/volunteer application process where the person is to go into a community-based elder or disabled person setting. However, we believe that the CORI law infers that prospective employees, volunteers, etc. should be told that a CORI will be performed before they can begin work or volunteer, be asked for appropriate information required by CHSB to do the CORI, and, if given, be told that the CORI received by the entity will be reviewed by the entity before a decision is made as to whether they will be hired or can begin volunteering.* All ASAPs, AAAs and COAs are responsible for informing Elder Affairs' funded providers, contractors and other entities that use the Elder Affairs' of these amended CORI Guidelines. These Guidelines will also be posted on 800ageinfo.com. Please contact Joel Semuels at 617-222-7461 or Joel.Semuels@state.ma.us if you have any questions.

Executive Office of Elder Affairs

Criminal Offender Records Information (CORI) Guidelines 01/02/03

A Criminal Offender Record Information (CORI) check shall be performed on individuals prior to employment, accepting an individual as a volunteer or referring such individual for employment to an elderly or disabled person. All decisions regarding the hiring of an employment candidate, acceptance of a volunteer or referral of an individual to an elder are within the jurisdiction of the hiring entity. The following Guidelines set minimum standards to assist agencies to determine a candidate's appropriateness for employment.

1. The entity must file an application for certification with the Criminal History Systems Board (CHSB), 220 Arlington Street, Suite 2200, Chelsea, MA 02150 (www.state.ma.chsb) and be certified for CORI access. Note: An employer is prohibited from requesting or requiring a person to provide a copy of his or her own criminal record.
2. All CORI certified agencies must follow CHSB Audit Guidelines effective on the date of this Program Instruction which include the following:
 - An ASAP, AAA or COA does not have to obtain a written acknowledgement from new hires, volunteers, etc., who will be providing services to elders in a home or community-based setting (hereinafter referred to as candidates) prior to the entity obtaining CORI on them from CHSB as part of their application process. Follow CHSB guidelines.
 - Access to CORI is limited to the authorized personnel who have signed an Agreement of Non-Disclosure on file with the CHSB;
 - CORI may always be shared with the applicant/volunteer/individual referred for employment to whom it pertains;
 - CORI must not be disseminated to any other person or agency;
 - CORI must be kept separate from any other personnel files. CORI must be secured in a locked file cabinet when not being inspected;
 - CORI may be kept for up to three years for purposes of defending against any employment discrimination action;
 - Only one copy of the CORI is to be kept in the files at any time.

Contact the CORI Unit at CHSB (617-660-4640) with questions on the above Audit Guidelines.

3. Elder Affairs' CORI Policy for the above-mentioned entities funded by Elder Affairs is as follows:

- **Lifetime Presumptive Disqualification:** If the CORI investigation reveals a conviction of any of the crimes listed in Table A attached, has pending charges involving crimes listed in Table A, (e.g. the offense remains open without final resolution), or has any outstanding warrants, it is recommended that the candidate be informed by the hiring authority that (s)he is ineligible for any position which has the potential for contact with elders or disabled persons receiving services.
- **Ten Year Presumptive Disqualification:** If the CORI investigation reveals a conviction of any of the crimes listed in Table B attached, or has pending charges involving crimes listed in Table B, (e.g. the offense remains open without final resolution), it is recommended that the candidate be informed by the hiring authority that (s)he is ineligible for any position which has the potential for contact with elders or disabled persons receiving services, unless ten years or more have passed since the final disposition of the offense.
- **Discretionary Disqualification:** If the CORI Investigation reveals a conviction of any of the crimes listed in Table C attached, or has pending charges involving crimes listed in Table C, (e.g. the offense remains open without final resolution), it is recommended that the hiring authority determine if the candidate poses an unacceptable risk of harm to the persons served by the program within the position sought. In reviewing the candidate's appropriateness for employment given the concerns for client safety, due weight shall be given to the following factors:
 - i. age of conviction;
 - ii. age of candidate at the time of offense;
 - iii. seriousness and specific circumstances of the offense;
 - iv. relationship of the criminal act to the nature of the work to be performed;
 - v. number of offenses;
 - vi. any relevant evidence of rehabilitation or lack thereof;
 - vii. any other relevant information sought by the hiring authority from the police, courts or prosecuting attorneys; or
 - viii. information submitted by the candidate as requested by the hiring authority (e.g. letter from the candidate's probation, parole officer, treating professional or other knowledgeable source).

4. Following the review, the hiring authority shall determine whether to hire the candidate, not hire the candidate or to hire the candidate to either a different position or to the requested position with certain restrictions, including, but not limited to close supervision or limited access to client care areas. The hiring authority shall document in writing by clear and convincing evidence the candidate's appropriateness for employment, given the concern for client safety.

5. Nothing herein shall be construed as preventing the hiring authority from deciding not to hire the candidate for any other reason.

Offenses Included

The above offenses include all violations of Massachusetts law or like violation of the law of the United States, or a military, territorial or Indian tribal authority. Nothing herein precludes the hiring authority from considering other criminal convictions not included in Tables A, B, and C in its hiring decisions. The hiring authority shall contact their own legal counsel whenever a CORI investigation reveals an offense that is not included in Tables A, B, and C and it appears similar in seriousness to included offenses. The hiring authority's legal counsel shall determine, taking into account the purposes of these regulations, if the offense is similar to one of the included offenses. If it is determined to be similar, then it shall be considered to be included in the same category as the included offense. If it is determined to be not similar, then it shall be considered for inclusion into the appropriate category.
